

**Remarks**

Claims 1-12 are pending and have been finally rejected. A notice of appeal is being filed concurrently with this amendment.

This amendment corrects claim 8 to avoid the use of terms not having a proper antecedent basis. Entry of this amendment after final is requested pursuant to 37 CFR 1.116(b)(1) and (2) since the amendment complies with a requirement of form expressly set forth in the previous Office action, and to place the claims in better form for consideration on appeal.

Respectfully submitted,

Charles G. Call, Reg. 20,406

Dated: April 26, 2005
